

tic Examiners, the Advisory Board on Hospital Licensing, the Advisory Council on Hospital Construction, the State Board of Physical Therapy Examiners, the State Board of Examiners of Psychologists, the Radiation Control Advisory Board, and the Air Quality Control Advisory Council.

Board of Review of the Department of Health and Mental Hygiene

Chairman: Clarence Blount, 1971

John Sargeant, 1970; Leon Sarkin, 1970; Mrs. Edward Wickey, 1971; Mrs. Joseph W. Hemelt, 1972; Ross Z. Pierpont, M.D., 1972; Robert J. Woods, 1972.

Chapter 77 of the Acts of 1969 also created the Board of Review of the Department of Health and Mental Hygiene. The Board consists of seven members appointed by the Governor with the advice and consent of the Senate for three-year terms. Four members represent the general public, and the remaining three must be knowledgeable in one or more fields under the jurisdiction of the Department of Health and Mental Hygiene. The Governor designates the Chairman from one of the general public members.

The Board makes recommendations to the Secretary on the operation and administration of the Department. It also hears and determines appeals from the Secretary's decisions or from any department or other agencies within the Department of Health and Mental Hygiene which are subject to judicial review (Code 1957, 1965 Repl. Vol., 1969 Supp., Art. 41, secs. 206-206C).

The State Department of Health, originally established by Chapter 200, Acts of 1874, is governed by the Secretary of Health and Mental Hygiene. The Department is directed by a Commissioner, who is appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene. He must be an experienced physician skilled in public health and certified by the American Board of Preventive Medicine. He is responsible for organizing the Depart-
